

"Treasure God's Word"

Reading Plan

Want to reignite your excitement for God's Word?
Try this Simple Scripture Reading and Journaling Plan
based on Psalm 119.

1. Pray that God will awaken in your heart a new love and devotion to His Word. Ask Him to open your eyes as you read it.
2. Read Psalm 119 over 22 days. Asking God to speak to you, read one section each day.
3. Each day, put a box or circle around all the synonyms used for "Word of God" in the section you read. You'll find one in almost every verse!
(Hint: Look for words like "laws," "commands," "statutes," and "precepts.")
4. Choose one verse that particularly speaks to you, and either highlight it in your Bible, or write it down in your journal. Think about what it means to you, and ask God to work that truth into your heart.
