Growing up I was allergic to chocolate. You gasp but, it's true. My brother's favorite anything was chocolate, but my mother had to find other options for me. These days when she bakes, her 90+ year old hands roll out an easy frozen pie crust, but back in the day, even the pie crust was made from scratch and always perfect.

I'm sharing her recipe for pineapple pie with you today because it is the perfect summer flavor!
